Sometimes it's difficult to think about wines for cold, snowy days when it's 60F outside and the backyard is a mud pit. But we found a "Winter Wine" article on one of our favorite wine websites, winefolly.com, and we cheated a bit and are using Madeline's suggestions for this February's tasting. We will be featuring 2 white and 4 red wines, all appropriate for winter weather. And of course, Chef Jimmy, at the Centre Park Grill, will provide us with unique tasting plates with each wine, as he has done many times in the past.

Please note that because of room size, we have to restrict our seating to 40 people. If you're interested, sign up early. Once we reach our maximum, we will keep a list of those wishing to attend should there be any late cancellations.
